Show Time As: Tentative

All – Ed asked me to schedule a time for an “after-action review” to discuss what went well, and what can be improved on our experience with the Warm Springs Orders.

Given schedules, this looks like the earliest time the majority of us are available.

Please write your thoughts down on the following, and we can share our input together when we meet. If you send me any input by COB June 13th, I will compile and include in the meeting.

Purpose: Discuss Internal & External coordination related to issuing Warm Springs Orders (1414 & 1431).

- Top 3 thing that went well (I like ...)
- Top 3 things that need improvement (I wish ...)
- Ideas/changes for (What if ...)
 - continuing coordination on Warm Springs issues
 - the next Order/project

Consider:

- internal document review/coordination/processes
- external communication with Tribe, IHS, etc.
- communication/coordination between offices, RAD, WD, ECAD, ORC
- tribal consultation
- points of contact/project lead, clarity of roles/responsibilities, etc.
